Parking Variances

Please be reminded that short-term parking variance requests can be made via management. Please be sure that your request is made in writing and e-mailed to mikki.cooper@managementtrust.com, a minimum of 24 hours prior to your needs. Please also note that the management office hours of operation are from 9am – 4pm Monday through Friday. For longer-term requests, please be sure to complete a parking variance request form. The form can be found at <https://whitneyoaks.org/documents/>. Please be sure to follow the instructions on the form and submit photos with your request. ■

Enjoying the Sunshine

If you have not had the opportunity to take advantage of the community's trails, now may be an excellent time to get out for a walk and get some sunshine while local and community gym facilities are closed. Information and maps of the trails can be found on the Whitney Oaks website at; <https://whitneyoaks.org/trails-and-wetlands.html>.

Citizen Science

Many of us may be spending a bit more time at home that we normally would. This is a great opportunity to start new hobbies or participate in a science project. There is a lot of great data you can provide right from your backyard! Check out some of the links below to read more about citizen science projects.

While group gatherings are prohibited, Association meetings are being conducted virtually or by teleconference. Please be sure to review the Whitney Oaks website for agendas and contact management for participation information. <https://whitneyoaks.org/meetings/> ■
