Not available for use on garage doors

Please mark which area of the home the color will be applied by identifying that color in the "area of application". For example, "Cargo" is the color and "body" would be the area of application.

The exterior colors listed shall be used for homes within UNIT 39 & UNIT 44. Colors are not for Springfield Community. ARC applications must be submitted for all proposed painting projects, this includes re-painting the same approved colors. If you would like to use a color that is not listed on the color palette, the Board of Directors may review for final approval or variance. This may delay your project an additional few weeks. Please plan accordingly.

The ARC meets every **third Wednesday of each month (no meeting in December)**. Completed applications must be submitted one week prior to the meeting. Applications received after the deadline will be reviewed at the subsequent meeting.

PAINT MANUFACTURER: Paint colors and numbers are Kelly Moore paints. Other paint manufacturer's can be used as long as the color matches Kelly Moore. If using a different manufacturer, paint samples from Kelly Moore must be provided along with the other manufacturer's color. The colors between both manufacturers must match. **The committee may deny your application without providing this information.**
