

March 17, 2020

Dear Friend,

This letter is to inform you that the Association will be closing the Hillcrest gym until further notice.

Although the Association is limited to the actions that can be taken to prevent the spread of viruses, we can take this small step to try to ensure that our residents are safe. We understand that this is disappointing, but hope that you appreciate the need to take measures to address community health and safety needs.

Please take care.

Sincerely,

Laura Smyth, CCAM
