

## FENCE STAIN

Many of the wooden fences throughout Whitney Oaks are nearing the end of their useful life and should be replaced. Some simply need to be repaired and/or re-stained. When replacing fences or re-staining fences, please be sure to use the approved stain color.

**\*Units 39 (Abby Court) & 44 (Sterling/Kensington/Lawton) your fence stain color is different. It is Vista Paint - Storm Category 4 Exterior Color Stain, Rustic Red, 41-5716-24. This is the only stain that can be used and is a custom blend for Whitney Oaks HOA.**

In some cases, treating or cleaning the wood may be necessary before applying another coat of stain. If you are not sure about the appropriate product, please ask a Vista Paints Product Representative.

Whatever product you decide on, please use **ONLY** the approved color. Please obtain approval from the Architectural Review Committee prior to using any other color.
