## Attendance:

Although we love to see homeowners volunteering in the community, we understand that time is a most valuable resource for us all. Volunteering takes time and effort both during meetings and outside of meetings. Attendance at meetings is key. It ensures that fellow committee members, the Board of Directors and community, can count on you. Attendance of committee meetings is required. Committee members that are absent, without an excused approved by the Board of Directors, from three (3) consecutive meetings, will be removed from the committee.

## Code of Conduct:

As committee members serve, they also represent the Association as a whole. It is important that all those that volunteer in a role with the Association understand the importance of teamwork, acceptable etiquette, and ethics. To ensure that all volunteers have a clear understanding of expectations, the *Code of Conduct* has been developed. Your adherence and acceptance of this policy is required upon any appointment to a committee.

## Committee Types:

There are two types of committees; *ad hoc* and standing. *Ad hoc* committees are designed to be limited in scope and time. Generally, a committee of this type is given a task to research and provided action recommendations to the Board of Directors, or achieve a specific goal outlined by the Board of Directors.

Standing committees have on-going obligations and meet monthly to complete the work outlined in the Governing Documents and/or other assignments provided the Board of Directors.

## Thank you:

The Board of Directors would like to thank you for considering a volunteering position. Having involved and engaged community members is key to the success of the Association. We understand that you have many other time-consuming activities in your life and your willingness to dedicate your time, knowledge, and efforts toward common goals is an immeasurable asset to your community.
